FROM A DIRECTOR...

Why do you see the same faces doing all the work for the club? Our club is 250 members strong and seeing the same few people doing what is necessary to keep it running smoothly. Our main event is our show in July, once a year, for only three days. Spend a few hours helping the club with the show and the rest of the year is yours to do as you wish. There are many simple tasks that could use a little help, just ask a director what could be done.

Let's get to work, the show is growing each year, and it takes a bit more work on our part each year.

Let's Git 'R Done!!

Volunteer, it's your club!!!

Sincerely,

Norm Seegert

CLUB NEWS

Mackinaw tractor drive participants must have the registration forms filled out and to Jim Bogedain at the June meeting. And, 2008/2009 membership dues will be accept after the June meeting is ad-journed.

PROMOTE YOUR CLUB

As a member of the club you have the greatest ability to promote attendance by assisting or simply attending some of the scheduled activities. Word of mouth advertising is still the best we can get!
